Heart Blocks
First Degree AV Block

If Q is always far from P, then you have a 1st degree.

Second Degree AV Block Type I – Wenkebach (Mobitz I)

Longer, longer, dropped, then you have a Wenkebach.

Second Degree AV Block Type II – Mobitz II

If some beats just don’t go through, then you have a Mobitz II
Third Degree AV Block – Complete Heart Block

If Q and P just don’t agree, then you have a Type III
